Balancing Eye Cream

All Skin Type

25 ml

Whitening Functional Cosmetic, Intensive Nutrition, Whitening and Skin-protecting Eye Cream

A velvety smooth cream that rehydrates delicate eye area skin as it softens the appearance of fine lines and other visible signs of fatigue.

Sorabee Balancing Eye Cream is good for whitening, and eliminating the tired and saggy eyes. Enriched with plankton extracts and collagen obtained from starfish, the Sorabee Balancing Eye Cream soothes and deeply moisturizes around your eyes, making you dazzlingly younger looking.

How to Use

After emulsion or cream, gently apply a sufficient amount of the Sorabee Balancing Eye Cream around your eyes at the last stage of your basic skin care regimen in the morning and night.
