

## Mask Pack Sheet Line

Each mask pack sheet contained one bottle of highly enriched pure serum and used Japanese sheet material.

### VELVIZO Marine Eye Gel Patch /6ea

A powerful marine collagen of eye gel fights against signs of fatigue in the eye contour area. Freshness and radiance are restored as the eye contour is fully moisturized and revitalized

How to use.

Use Skin and Lotion to make skin stable after washing.

Pulling the Eye Patch film out, apply it (sharp side) to the front dimension of eye. Leaving 30~40 minutes and pull out.

If opened, use it immediately and do not recycle. (2~3 times a week can make your eye sides be elastic.

### VELVIZO Marine Nose Pack /6ea

A tangle weed extracts help clearing sebum in pores deeply and tightening pores of the skin.

How to use.

Let your nose and its around wet after washing. Wetting condition can affect Pack's glue- power. If Nose Pack has water directly, Pack effect can be weakened.

Drying your wet hands and pulling out the transparent film of sheet, apply it (smoothing side) to the nose well.

Dry it after leaving 10~15 minutes.

Pull out Pack sheet after drying well and clean up the remains with water and Skin.

How to use

Tip for user.

Recommended to use bad skin condition or one day before important appointment and dating.

When skin needs nutrition after hard overnight work or stress, you can use to care skin to healthy condition.

Keep it in the cold storage and better when use in cold temperature by cooling effect.

When horny occurs do not open up separate case and warm it up with boiled water for 7 minutes, it would be better for removing horny layer.

How to use

Dry your face after washing and make skin's ph balance stable.

Get mask sheet to be fit on your face well.

Leaving 20~30 minutes, pound softly the remained essence with fingers in order to absorb nutrition ingredient to your face.

Use Lotion and Cream lastly for better skin condition after pulling out sheet.
